WYD DON BOSCO 23

Communication no.2

Packages for participation and registration in WYD Lisbon 2023

18th November 2022

From Portugal, we are preparing enthusiastically for the World Youth Day Lisbon 2023. We want it to be a real moment of encounter and communion for the Salesian Youth Movement. All the SYM pilgrims who register through our platform www.wyddonbosco23.pt will be hosted in Salesian houses (or spaces entrusted to our organisation, as well as in families linked to Salesian pastoral communities) in the Lisbon region. **Please note: registration should be done on the Salesian platform and not on the official platform of WYD Lisbon 2023.**

The registration process is now open and you can consult all the information in the attached document *Registration Procedures*, complemented by the documents *Individual Registration Form* and *Identification Form of the Local Group Leader and Group Leader*. In these documents, you will find information about the participation packages, respective prices and special conditions. It is important to read them carefully for the registration process.

Briefly, the process will proceed as follows:

- a) Each Salesian house/province shall collect pilgrims' registrations locally as indicated in the *Individual Registration Form*;
- b) The responsible person / coordinator of Youth Ministry of each province must request reserved access to the platform as indicated in *Registration Procedures*;
- c) Registrations should be submitted through the Youth Ministry Officer/Coordinator of each Province on the platform www.wyddonbosco23.pt/inscricoes;
- d) Each group registration should be submitted, accompanied by the *Identification Form of the Local Group Leader and the Group*;
- e) Any questions about the registration process should be asked to: secretariado.wyddb23@staff.salesianos.pt.

The invitation of Pope Francis to participate as pilgrims in WYD Lisboa 2023, should reach everyone. We are at your disposal to facilitate the sending of materials promoting participation, news and others through comunicacao.wyddb23@staff.salesianos.pt.

This communication is intended to initiate the registration process for the SYM groups. Later on, other communications will be made addressing the various issues of participation in the WYD.

Any questions or assistance needed can be addressed to wyddonbosco23@staff.salesianos.pt.

We thank you for all the attention given to this matter.

May Mary, Lady of the Visitation, help us on our journey.
Receive our prayers and an affectionate hug.

WYD DON BOSCO 23 Coordination Team
